

## AI USAGE DISCLOSURE

### Student information

**Name:** Ayushi Chauhan

**Matriculation number:** 4967901

**Project title:** Value to Reaction Time Mappings in Decision Making

**Group members, if applicable:** Aarohi Verma & Lakshay Gupta

### AI use statement

Please tick one option:

☐ **No AI tools used.**

I confirm that I did not personally use generative AI tools, AI-based writing assistants, translation tools, image generators, code assistants, or similar AI systems in preparing my contribution to this project.

☒ **AI tools used and disclosed below.**

I confirm that I used AI tools only in limited and transparent ways that preserved the independent character of my work. I remain fully responsible for the accuracy, academic integrity, citations, methodology, code, analyses, and final submitted content.

### Details of AI use

If no AI tools were used, write “Not applicable” in the first row.

| AI tool used | Purpose of use                                      | Parts of the project affected               | Extent of use / student responsibility                                                                              |
|--------------|-----------------------------------------------------|---------------------------------------------|---------------------------------------------------------------------------------------------------------------------|
| Gemini       | For report's format and Language/Grammar correction | Report (Introduction & and Methods Section) | Used to correct the grammar and polish the initial draft and to format it in LaTeX, all interpretations are my own. |
|              |                                                     |                                             |                                                                                                                     |
|              |                                                     |                                             |                                                                                                                     |

### Prompt log

Did you retain a prompt log or notes documenting the AI-assisted steps?

☒ Yes, attached or available upon request.

☐ No AI tools were used.

☐ No prompt log was retained. Explanation: \_\_\_\_\_

### Individual contribution and responsibility

Briefly describe your own contribution to the project, including report writing, coding, modelling, analyses, figures, or interpretation of results:

---

My Contribution was in coding and evaluating the Squared Conflict RT Model. I developed the entire pipeline

---

and compared it against the baseline model. I also helped drafting the Introduction and Method part of report.

---

In the case of a group project, I confirm that I have reviewed the shared report, code, analyses, and figures to which I contributed. I accept responsibility for my own contribution and for any AI-assisted material included in shared components that I reviewed, used, or submitted as part of the project.

### **Final confirmation**

I confirm that I have not submitted AI-generated content as my own without review, verification, and disclosure. I have checked all factual claims, references, data, code, analyses, and interpretations myself. I have not entered sensitive, personal, confidential, or copyright-protected material into AI systems in violation of data protection, copyright, or course rules.
